

Directions to John Knox Ranch

From US 281

Go east on 306 for 15 miles. Turn left onto 3424 and go for 2 miles. When you come to the stop sign at RR 32, go straight across the road onto Mail Route Rd. Do not turn right or left onto 32. Follow Mail Route Rd. for 1.5 miles, then turn right onto John Knox Rd. Travel another 1.5 miles to the main gate of JKR, and then follow the signs to the Office.

From I-35

Take Exit 202 toward Wonder World Dr./Ranch Road 12. Go west on RR 12 for 11 miles, then turn left on RR 32. Follow RR 32 for approximately 7.5 miles. You will come to the intersection of Hwy 3424 and Mail Route Rd. Turn right on Mail Route Rd. and follow it for 1.5 miles, then turn right onto John Knox Rd. Travel another 1.5 miles to the main gate of JKR, and then follow the signs to the Office.

From 290/Dripping Springs

From Dripping Springs, go south on RR 12 until you reach Wimberley. When you enter Wimberley, turn right on River Rd. (the stoplight just after the Brookshire Brothers grocery store on your left). When you come to the 3-way stop sign at Wayside Dr., turn right, and travel for approximately 6 miles. You will cross the Blanco River at the Bendigo Crossing. There will most likely be water over the bridge. It is safe to cross if you can see the stone dividers/rail on the downstream side of the bridge. Come up the hill; JKR's main gate will be on your left at the top of the hill. Follow the signs to the Office. (Note: If you are following your GPS, it will most likely want to send you down RR 12 to Jacob's Well Rd./Fischer Store Rd./Sachtleben Rd. This is a fine route, but do not worry when driving down Sachtleben Rd.; it will look like private property, but it is actually a public road! Proceed onward.)

If you do not want to drive across the low water crossing: Continue through Wimberley on RR 12 like you are going to San Marcos. Turn right on Hwy 32 and follow the directions above.
